

Coronavirus (Covid-19)

Customer Notice

The Government has encouraged businesses involved in construction to continue their activities during the new lockdown announced by the Prime Minister last night (Monday 4th January 2021).

Therefore work will continue on Croudace developments, with **Marketing Suites to remain open strictly 'by appointment only'**.

The housing market will also remain open, so we would also like to assure our customers at all stages of the house buying process that Croudace Homes is open for business and purchases, as well as all transactions, will be processed to legal procedures during this time.

At all times, the safety of our staff, contractors and customers is our major concern, and all sites have strict Health and Safety procedures in place, with social distancing markers clearly defined, desk screens in Marketing Suites and both face coverings and hand sanitiser available.

We would still kindly ask customers who may be experiencing symptoms of Covid-19 to refrain from visiting our Marketing Suites until the appropriate self-isolation period has been completed.

Thank you for your support and understanding at this challenging time.
