Weavers Gate

By Croudace Homes, Codicote

Weavers Gate by Croudace Homes is a selection of high specification, energy efficient 2, 3, 4 & 5-bedroom homes set in the beautiful village of Codicote.

A UNIQUE LOCATION

Situated in the beautiful Hertfordshire countryside, this stunning development offers a countryside setting with excellent direct train links into London from nearby Stevenage Train Station. It is also less than three miles from the A1(M) and eight miles from the M1. Codicote is just 10 miles from Hitchin with Stevenage, Welwyn Garden City and Hatfield are also within close reach.

ECOLOGICAL EFFORTS

A wealth of wildlife calls Weavers Gate home. The landscaping in and around the development has been built to allow an impressive 10% uplift in biodiversity, enhanced with mature planting while preservation measures have been implemented to safeguard existing wildlife populations. These improvements are designed to integrate into existing habitats at Weavers Gate and create a framework that ensures that local flora and fauna can thrive.

TREES, HEDGEROWS AND SHRUBS

There is a significant vegetated buffer zone around the site to allow for and uplift in biodiversity, with over 120 new trees planted to attract and provide habitat for a range of creatures. There is also a new play area featuring a community orchard with beautiful wildflowers and trees.

BATS

For bats, trees with roosting features have been preserved and bat boxes introduced. Bat tubes with integrated wooden perches are to be built into the external walls of homes, while lighting reduction measures have been reviewed and approved by a licensed bat ecologist

HEDGEHOGS

For hedgehogs, specialist fencing has been installed with holes large enough for hedgehogs to pass through, allowing them to roam freely. Hedgehog domes provide a safe home for breeding and hibernation.

REPTILES

Weavers Gate has bug hotels located around the site, encouraging a variety of insects to visit, helping to pollinate plants and boost biodiversity. These ecological enhancements alongside our homes, create a home for you and nature in an exceptional setting.

A LOCAL WAY OF LIFE

Codicote is a quaint village surrounded by beautiful open spaces and Weavers Gate is located in the heart of its community.

The village of Codicote has history dating back at least 1500 years to the Saxon period, with the name deriving from the 'cote' or cottage of a man called Cudda. Codicote has a thriving local history society which hosts talks, outings and archaeological digs and there is also a small museum.

St Giles is a friendly, welcoming Anglican church which has been at the heart of Codicote for over 900 years. Along with regular services, the church also caters for the wider village community with regular events for all ages across the week from parents and toddlers to coffee mornings.

Local amenities include the cosy Goat Inn Pub and the ever-popular Codicote Spice Indian restaurant. There is also a range of café's including the quirky Spoke Cycle Café, and a scenic high street with a pharmacy and Post Office. There is also a pre-school and primary school within walking distance.

Hitchin Market

A PLACE TO EXPLORE

Located under 10 miles away is the historic town of Hitchin which dates back to the 7th century. The town centre boasts beautiful historic buildings and a cobbled market square hosting regular market days and special events

Hitchin has something for everyone including a thriving high street featuring well known names and a wealth of smaller independent shops, as well as a range of bars, restaurants and café's ideal for the day visitor. The town is also home to an outdoor swimming centre, a number of museums and theatres and a music venue with entertainment on most nights of the week.

For those into their sports, you will not be disappointed with The John Clements Sports and Community Centre, a short walk away. Football, tennis, cricket, rugby and indoor bowls are all played here. Also located a few miles from Codicote is Mid Herts Golf Club, one of the oldest clubs in the country designed by five times Open champion James Braid.

The stunning Hitchin Lavender fields which is open every Summer located on the gentle, rolling slopes of Wilbury Hills synonymous with stunning countryside views and relaxing walks, making it a much-loved landmark. It also welcomes dogs and has a restaurant, gift shop and children's play area.

Knebworth House

For those looking for a great day out and some local history then look no further than the historic Knebworth house. The Grade II listed house and gardens is only a few miles from Weaver's Gate, where visitors can explore the house itself, stroll through beautifully maintained gardens and there is also a Dinosaur Trail and Adventure Playground for younger visitors.

Slightly further afield is Hatfield House, a Grade I listed country house set in a large park in the nearby town of Hatfield. Visitors can enjoy guided tours and visit the historic house and gardens between April – September every year.

Weavers Gate is blessed with having a National Trust site less than three miles away. Shaw's Corner was the home to famous playwright, politician and philosopher George Bernard Shaw who lived here for 40 years from 1906. Today the home remains much as he left it, visitors can enjoy beautiful Arts and Crafts inspired interiors and fascinating links to the past. There is also the tranquil gardens reaching 3.5 acres, which is a relaxing place to visit year-round and features native wildflowers, and an orchard with apple, greengage and pear trees bringing sweet-smelling blossom in Spring.

Heartwood Forest is a vast new forest of more than half a million trees, pockets of ancient woodland, wildflower meadows and fantastic wildlife spotting. This is a great place to visit to really get back to nature and enjoy some fantastic walks.

St Pauls' Warden Bury is less than 10 miles away from Weavers Gate, and was home to both Queen Elizabeth and the Queen Mother, during her childhood and youth.

The estate has stunning Grade I listed garden unchanged since the family took residence in the 1720's and is open to the public three days a year to raise money for worthy causes.

Open all year round, Stanborough Park is a beautiful countryside park, with two lakes covering 126 acres on the outskirts of nearby town Welwyn Garden City. The park has something for everyone from country walks to kayaking, canoeing and stand up paddleboarding for the more adventurous visitor.

EDUCATION FOR ALL AGES

The local area has a wide selection of highly rated schools for all ages. Codicote Pre-School and Codicote C of E Primary School are walking distance from Weavers Gate. Oaklands Primary School and Monks Walk are short drive away, and there is also the opportunity for higher education and various colleges and the University of Hertfordshire.

A PLACE TO CALL HOME

Our customers are at the heart of what we do and we understand how important it is to put your stamp on a new home. Therefore, a Croudace home can be personalised with a range of options available to choose from including bathroom fitted furniture, tile style and colour, as well as wardrobe glazing finish. Also, unlike some of our competitors our specification includes fitted furniture to all bathrooms, rear turfing and EV chargers on all our house types without the worry of upgrading at an additional cost.

Our dedicated Sales Consultants are on hand to offer guidance regarding personalised choices. The availability of these options is dependent on, and subject to, the stage of construction at the time the house is reserved.

Ask our Sales Consultants how we can help you turn your new Croudace house into a home.

GENERAL DEVELOPMENT LAYOUT

Each home within Weavers Gate is considered in design, generous in proportion and gives peace of mind with the distinctive high quality specification and service offered by a Croudace built home.

EFFICIENT NEW HOMES

According to research by the House Builders Federation (HBF), the average new build home makes **heating, hot water and lighting costs up to 27% cheaper**, with the average new build house owner paying just over £618 a year for these utilities.

New build homes also emit up to 74% less carbon than older counterparts. **87% of new build homes have an EPC A or B rating**, and the average new build home emits 2,179kg of carbon per year, compared to older homes rated EPC F and G which produce around 50% more at 3,266kg a year.

Buying an energy efficient new build home helps to reduce carbon emissions and saves you money.

Energy efficiency is built into our homes Croudace homes feature a variety of energy saving features as standard, such as:

- Low or zero carbon technologies
- Double glazed PVCu windows and French casement rear doors made with 'Low Emissivity Glass' (Low E Glass), which has a hidden layer that reduces heat loss and reflects interior heat back into the home
- Thermal Insulation inside floors, walls and roof
- Zoned heating systems; control the temperature of the ground floor and first floor separately
- Integrated home appliances

Croudace homes also come with two years of customer care from our expert in-house team and a 10 year NHBC Warranty.

To find out more about our energy efficient new homes, contact the Sales Consultants at Weavers Gate *Data from HBF Watt a Save - Energy efficient new homes February 2026 report <https://www.hbf.co.uk/research-insight/wattasave/>

A modern bedroom interior featuring a large bed with patterned pillows, a large chandelier, and a mirrored wardrobe. The room is well-lit and has a contemporary design.

THE BENEFITS

- NO Agent's Fees
- NO Stress
- NO Chain
- AND a guaranteed purchaser for your home

HASSLE FREE SERVICE

- Your existing property should have an estimated value that is no more than 70% of the value of the new home you are buying from us
- Part Exchange with Croudace Homes cannot be used in conjunction with other offers

PART EXCHANGE

Our Part Exchange service has helped many families move into their brand new Croudace property without the stress of selling their previous home.

The service we offer is totally free and, what is more, leaves you with time and energy to concentrate on the more enjoyable side of moving – making plans for your new home. Our Sales Consultants are always on hand to help whenever possible.

A COMMITMENT TO QUALITY

Croudace Homes takes great pride in providing our customers with expert advice and guidance to ensure that every stage of the home buying process is as clear and straight forward as possible.

A stylized, handwritten signature in black ink, representing Adrian Watts.

Adrian Watts,
Group Chief Executive

We regularly seek feedback from customers who have bought and moved into their Croudace home and use what we learn alongside research we conduct into changes in lifestyles to ensure our designs are continually enhanced and improved.

Ecological and environmental aspects of construction are of the utmost importance and are at the forefront of all our designs, as well as the entire build process. Croudace homes are designed to maximise energy efficiency and minimise their impact on the local environment.

Croudace Homes is uncompromising in its commitment to providing customers with the highest quality homes and peerless after-sales care. We are proud to receive excellent ratings from independent customer satisfaction surveys, which place us amongst the finest home builders in the country.

We understand that buying a home is one of the biggest decisions one can make, which is why we aim to simplify the process as much as possible. We hope you decide to buy a Croudace home and wish you many happy years living in it.

5 STAR AWARD WINNING HOME BUILDERS

Croudace Homes is delighted to have been awarded an HBF 5 Star Home Builder Customer Satisfaction Award for the fourteenth year running. More than 9 out of 10 of our customers would recommend our homes to their friends.
